## **Announcement**

### **Re: Assignment of Hydromatic Distributor in Ohio**

Pentair is pleased to announce that it has named Pump Systems, LLC as the Hydromatic Engineered Products distributor for the State of Ohio. In this role, Pump Systems, LLC will be responsible for sales and service for all of Hydromatic products in the state.

Pump Systems, LLC, led by Korey Hinkle, is headquartered in Akron, OH and maintains a sales office in Groveport, OH (Columbus) and over 35,000 square feet of warehousing space. Additionally, their capabilities include a pump repair and service operation which is supported by 12 service vehicles with coverage of the entire state. Inventory of pumps, accessories and parts will be maintained to support the needs of the market.

Hydromatic is excited about partnering with Pump Systems, LLC to insure that we provide the level of service our customers expect. Should you have any questions, please feel free to contact our Regional Manager, Doug Rogers (419-709-4036) or Korey Hinkle, President of Pumps Systems (330-630-0890).

A handwritten signature in black ink, appearing to read "R.J. Dausman", with a long horizontal flourish extending to the right.

R.J. Dausman  
Director of Sales, Hydromatic Engineered Products
